ABOUT JML

Jamestown Marine Limited (JML) is a Nigerian-based marine services company established in 2010, dedicated to delivering comprehensive marine and consultancy solutions to the shipping industry. We represent vessels and key industry stakeholders, ensuring seamless coordination and optimal service delivery across various maritime operations.

JML is fully registered with all relevant statutory authorities, including the Nigerian Ports Authority (NPA), Nigerian Midstream and Downstream Petroleum Regulatory Authority (NMDPRA), Nigerian Maritime Administration and Safety Agency (NIMASA), Nigeria Customs Service, and the Nigerian Immigration Service. Our operations are backed by all required licenses and permits, enabling us to deliver services in full compliance with regulatory standards.

VISION & MISSION

Vision

Our vision is to be one of the major shipping companies, providing maritime support services in Nigeria and beyond.

Mission

Our mission is to consistently deliver above standard industry expectations and adapt to our client's peculiar and evolving needs.

Our Culture

- Quick turn-around-time for ships and other services under our care
- Integrity – Staying true to our promise on service delivery
- Customer satisfaction

PRODUCTS & SERVICES

Jamestown Marine Limited provides a broad range of services tailored to meet the dynamic needs of our clients. These include:

- **Maritime Logistics**

We manage the end-to-end transportation of goods, personnel, and equipment across maritime routes. This includes coordinating port operations, cargo handling, and ensuring the seamless movement of vessels, thereby ensuring timely and efficient delivery with minimal delays.

- **Procurement**

Our procurement service specializes in sourcing high-quality marine equipment, spare parts, and operational supplies. We leverage strong supplier networks and industry expertise to ensure cost-effective, timely, and reliable delivery of critical resources.

- **Ship agency**

As ship agents, we act on behalf of ship owners and charterers to coordinate all port-related activities. This includes arranging berthing, managing customs and immigration formalities, coordinating bunkering and repairs, and ensuring quick turnarounds for vessels at port.

- **Offshore Rig Operation Services**

We provide support services for offshore drilling and production operations. This includes crew transfer, supply boat management, rig positioning assistance, and emergency response logistics. Our team ensures smooth operations and safety compliance in offshore environments.

PRODUCTS & SERVICES

- **Ship Supplies**

We deliver fresh water, provisions, technical stores, bonded items, spare parts, etc.. directly to vessels, whether at berth or at anchorage. Our reliable ship supply services are tailored to meet the specific needs of each vessel with speed and efficiency.

- **Consultancy**

Our consultancy services offer expert guidance in maritime operations, regulatory compliance, logistics planning, and risk management. We assist clients in optimizing their marine operations, reducing costs, and improving operational effectiveness.

- **Warehousing**

We offer secure and strategically located storage facilities for marine equipment, supplies, and cargo. Our warehousing solutions support inventory management, customs clearance, and just-in-time delivery for ship spares and client goods.

- **Owners' Representation**

We represent vessel owners and operators in Nigeria, safeguarding their interests during port calls, inspections, repairs, and other local engagements. Our team ensures transparent communication, smooth coordination, and professional oversight on behalf of our principals.
